

GUJARAT TECHNOLOGICAL UNIVERSITY**Diploma Semester -III (Fabrication Technology) Examination January- 2010****Subject code: 335504****Subject Name: Fabrication Technology - 1****Date: 29 / 01 / 2010****Time: 11.00 am – 1.30 pm****Total Marks: 70****Instructions:**

1. Attempt all questions.
2. Make suitable assumptions wherever necessary.
3. Figures to the right indicate full marks.
4. English version is Authentic

- Q.1** (a) Define the term FABRICATION. List various types of methods of fabrication **07**
- (b) Explain characteristics of good fabrication supervisor as a leader. **07**
- Q.2** (a) Explain in brief advantages of steel as a fabrication material. **07**
- (b) Explain advantages of welded fabrication over other method of fabrication **07**
- OR**
- (b) List different types of Fabrication codes and Explain in brief specific requirement of codes & standard. **07**
- Q.3** (a) List out the Third party inspection agencies with their abbreviation. **07**
- Explain in brief duties of Inspection Agencies Before, During and After welding .
- (b) Find out the weight of round bar having a diameter 30 mm of 1 meter length. Assume density of material 7.85 gm / cm^3 . **07**
- OR**
- Q.3** (a) Explain the process of inspection in structural fabrication industry and Explain in brief visual inspection. **07**
- (b) Prepare a rectangle having a length 50 mm and width 25 mm by only using the compass / rotor. **07**
- Q.4** (a) Explain in brief preparatory work and important consideration in steel structure erection and Explain in brief erection tolerance. **07**
- (b) Explain the oxy-acetylene gas cutting process with neat sketch – equipment, process, advantages, limitation. **07**
- OR**
- Q. 4** (a) Explain the method of protection of fabrication structure against corrosion. **07**
- (b) Explain the method of erection of various steel structure. **07**
- a. Industrial shade
- b. Erection & installation of column / foundation base plate at site.
- Q.5** (a) Explain in brief **07**
- a. Drawing room operation.
- b. Shop floor operation
- (b) Explain the procedure of marking & measuring with tools and equipment. **07**
- Draw its neat sketch.
- OR**
- Q.5** (a) Explain in brief **07**
- a. Truss fabrication & assembly
- b. Column fabrication & assembly
- (b) Explain Structural set-up & fit-up with neat sketch **07**
